ABOUT THE PIZZUTO GROUP

SIMPLIFYING FACILITY INTERIORS FOR K-12, HIGHER EDUCATION, GOVERNMENT & MORE

The Pizzuto Group was incorporated in the spring of 2015. We have spent many years working with designers, architects, facility managers, business owners, board members and public administrators at many notable public and private institutions.

Our dedication and commitment to our clientele has given us the ability to network with many people who share similar goals in maintaining, upgrading and modernizing their district and work-spaces.

OUR CLIENTS

At TPG, we work with a wide array of clients ranging from Universities, Local School Boards, Libraries, Municipal, County & State Governments, as well as privately owned Corporations. We collaborate with our clients and create proper space plans inclusive of design drawings and color renderings that make it easy for our customers to visualize their space before the work begins. Our team provides personal service as we work closely with architects, school administrators, and other trades to ensure that each project is on time, on budget and completed in a professional manner.
